Empower

A Work Readiness Initiative

RSVP NOW!

Student & Mentor Lunch 10:30 - 1:45
February 20, 2025 | Shreveport Convention Center

INCREDIBLE VOLUNTEER OPPORTUNITY!

This high impact, work-readiness initiative will host 13 high schools with **400** students and we need **140** mentors for this **FREE event!**

The JA Empower Student & Mentor Lunch is an exciting opportunity for students to engage in dynamic roundtable discussions with local industry professionals. This event fosters a vital connection for students by providing them with the opportunity to interact with mentors who share valuable real-world experiences and insights. These mentors offer guidance that helps young people envision the vast array of opportunities available to them in the future, bridging the gap between academic lessons and the dynamic, diverse world that lies ahead. Through these interactions, students gain a deeper understanding of how their education can be applied in various professional and personal contexts, empowering them to navigate and shape their futures with confidence.

NO COST TO ATTEND | ADVANCE REGISTRATION REQUIRED
