

MONTHLY GIVING PROGRAM

Empowering kids to be the GameChanger in their life!

Why should I become a GameChangers member?

A. It's an easy, convenient way to help kids become self-sufficient, financially capable and successful.

B. Your monthly investment sponsors programs in money management, workforce training & understanding how to start a business.

C. We need you support to meet teacher requests for JA's K-12th grade classroom programs.

- \$10 / month provides program materials for one JA classroom
- \$15/ month sponsors a JA Job Shadow Class
- **\$20/ month** sponsors a special JA program

C. Receive Monthly E-News about JA students & programs funded by JA GameChangers members

What impact will I make as a Junior Achievement GameChangers member?

Through JA's experiential programs, students connect the dots between their education and success, thus increasing their understanding of the importance of staying in school.

Students who take ownership of their education make smarter academic and economic choices.

For \$20/month, you can help JA address the universal need for teaching business and soft skills in area classrooms.

Your investment enhances projects such as the JA Spark: Entrepreneurial + Innovation Challenge, a Brees Dream Foundation, Trust Your Crazy Ideas Challenge and JA Inspires: Student & Mentor Lunch.

How can I give? Determine your investment level, complete registration form and mail to JA to automatically withdraw this amount from your bank account or credit card each month.

What do I do if I need to change my monthly giving amount or cancel my enrollment? Junior Achievement's GameChangers is a voluntary giving program. You may cancel,

suspend, or make changes at any time by contacting us at rsvp@janla.org
