## Junior Achievement of North Louisiana Business Hall of Fame

The Junior Achievement of North Louisiana Business Hall of Fame was established in the fall of 1994 to commemorate the 30th anniversary of Junior Achievement of North Louisiana, Inc. This year we are celebrating the 40th anniversary of Junior Achievement (JA) in our community. The purpose of the Business Hall of Fame is to recognize business role models who have played an important part in shaping the history and prosperity of this region. Annually, JA honors people who have realized the American dream through ethics, responsibility, leadership, determination, and giving back to our community.

In the fall of each year, new laureates are added to the Business Hall of Fame. They are honored during an induction ceremony and their portraits are added to the Junior Achievement of North Louisiana Business Hall of Fame display in Mall St. Vincent.
